RT: D C# A D C# G D C# A D
Left: D Bm Em A D

[Intro]

I D Bm Em A D

[Verse 1]

D
I heard that you've been self-medicating
Bm
In the quiet of your room

A sweet suburban tomb
Em A
And if you need a friend
D
I'll help you stitch up your wounds

[Verse 2]

D
I heard that you've been having some trouble
Bm
Finding your place in the world

I know how much that hurts
Em A
But if you need a friend
D
Then please just say the word

[Pre-Chorus]

G A Bm
You've come this far, you're all cleaned up

You've made a mess again
G A*
There's no more trying, time to sort yourself
out

[Chorus]

D
Hold on tight
Bm
This ride is a wild one
Em
Make no mistake, the day will come
A D
When you can't cover up what you've
done

D
Now don't lose your fight kid
Bm
It only takes a little push to pull on
through
Em
With so much left to do
A*
You'll be missing out
D
And we'll be missing you

[Verse 2 again]
